

BIDS AND AWARDS COMMITTEE

RESOLUTION NO. 3 - S. 2013

WHEREAS, the Technological University of the Philippines - Taguig Campus thru the Bids and Awards Committee (BAC), conducted a bidding of equipment (Universal Testing Machine) intended for the Civil Engineering Technology Department;

WHEREAS, during the Opening of Bids held last February 14, 2013, the Bids and Awards Committee (BAC) rated the Two (2) qualified bidders "passed" for remarkably complying with all of the Eligibility requirements and bid proposals.

WHEREAS, after the pre-qualification of the submitted documents by the Bids and Awards Committee (BAC), the bid documents were forwarded to the Technical Working Group (TWG) for further scrutiny and in-depth evaluation;

WHEREAS, for the Lowest Calculated Bid, the proposal of GEMARC Enterprises, Inc. was found to be the Most Responsive Bid, having passed the technical evaluation of the TWG;

WHEREAS, the TWG, on its submitted final evaluation and deliberation sheet, recommended the award of the contract to GEMARC Enterprises, Inc. for the supply/delivery of the equipment (Universal Testing Machine);

WHEREAS RESOLVED, as it is finally resolved that the contract for the purchase/delivery of the equipment (Universal Testing Machine) for the Civil Engineering Technology Department is hereby recommended to be awarded to GEMARC Enterprises, Inc. for being the Lowest Calculated and Most Responsive Bid.
