Dear Sir / Madame:

On a meeting by the TWG and the BAC on November 17, 2014 regarding your Motion for Reconsideration we have received on November 5, 2014 regarding your Notice of Failure to Pass the Eligibility Check. You have stated in your letter that you will gladly submit the other pertinent documents that were needed (more contracts) but you choose not to attend the said meeting and instead post in the PhilGEPs the documents needed.

In addition to that, upon examination of the technical specifications/requirements that you have submitted for the bidding of the Proposed Purchase of 31 Desktop Computers for the Internet Access Center for the Technological University of the Philippines – Cavite Campus, we regret to inform you that your submitted technical specifications did not comply with the specifications we have listed. We have listed a 4GB DDR3 RAM and your proposal was a 2 GB DDR3 RAM which the TWG as the end-users found not acceptable.

With these, we regret to inform you that the TWG and the BAC decided to declare you as NON-COMPLYING.

We look forward to your participation in the bidding for our other projects.

Very truly yours,

  
Edmundo G. Frias  
BAC Chairman
