3. The sole bidder for Lots C, D, and E is **PRONET**. The sole bidder for Lot B is **EASTERN**. Both were subjected to Post-Qualification. Upon the evaluation of the BAC-TWG and post evaluation of BAC, **PRONET** and **EASTERN** are found to be responsive bidders. However, the report of the TWG revealed that the model unit of **MASANGKAY** did not meet the desired technical specifications. Thus, **MASANGKAY** is a non-responsive bidder.

It is hereby resolved that:

1. BAC declares **PRONET** Systems Integrated Network Solution a sole responsive bidder for Lot C, D and E. The procurement of the said lots is awarded to **PRONET** Systems Integrated Network Solution **with a bid amount of** Php 2,335,496.43, Php 493,426.48, Php 399,999.00, for Lot C, D, and E respectively.
2. BAC also declares **EASTERN** Communications a sole responsive bidder for Lot B. The procurement of the Lot B is awarded to **EASTERN** Communications **with a bid amount of** Php 2,180,000.00.
3. BAC declares **MASANGKAY** is a non-responsive bidder for Lot A, therefore, Lot A shall be reposted for bidding.
4. BAC shall recommend for approval the foregoing findings to Dr. Adora S. Pili, President of the Technological University of the Philippines.
